

**Friday Night Networking Event –
Sponsored by Standard Publishing
2008 ABF Conference**

Ministry Presentations 7:00 to 7:30 p.m.

*Check-out some great resources for your midsize group ministry
or overall church ministry*

| Product/Idea | Room | Presenter | Description |
|---|-------------|--|---|
| Standard Publishing Curriculum Offerings | 7C | Dale Reeves & Sarah Felkey | Get up to speed on some of Standard Publishing resources for midsize and small groups! |
| ABF Teaching Course | 1C | Brent Amato | Teaching adults is not easy! Training them in today's busy world is just as difficult. The ABF Teaching Course was designed in a local church setting to prepare teachers how to teach God's Word effectively. |
| Life Connections Curriculum | 3C | Rick Howerton | Get a taste of community life using the Life Connections curriculum by Serendipity House. This curriculum values both midsize groups and small group interactions within the Bible teaching ministry. |
| Purity Model of Hope Church | 2C | Paul Leland & the Purity Team of Hope Church | Hope Church in Mason, Ohio has an evolving strategy of encouraging men in their sexual purity and integrity. Does your church need to step-it-up in the battle for purity? Hear how one church is engaging in the battle! |
| Off Sunday morning midsize groups | 6C | Brandon Williams? | Many churches are building strong midsize group ministry on off Sunday morning times, on and off campus due to space issues, time availability, etc. |
| Missional Ministry Ideas | 8C | Gary Angstadt ? | Midsize groups are embracing ministry opportunities such as outreach, care, compassion, missions, etc., more than ever! |
| Starting a Midsize Group ministry? | Fuel Room | Steve Lizzio & Team | Get some pointers from those who have gone before you! |
| Job search/networking | | | Match those looking for a ministry with churches looking for a pastor in adult ministries |

Networking & Panel Q/A 7:45-8:45 p.m.

Hope Church Communities Leadership will mostly lead the leadership team position rooms as we share best practices, issues & challenges
